

2000 Cabernet Sauvignon

This wine immediately catches the eye with its stunning deep purple-scarlet color. The aromas are at once concentrated and complex; hints of cherry, black currant, dark chocolate, and licorice can be gleaned from the richly integrated nose. As stunning as the color, is the palate. At once rich, full, and round from the initial touch and continuing as it fills the mouth leading to a long, lingering finish. This wine has tremendous presence yet with soft, balanced tannins. Blackberry, plum, and toasted oak augment the flavors.
